Just for Today

Tell yourself...

Just for today my thoughts will be on my recovery, living and enjoying life without the use of drugs.

Just for today I will have faith in someone in N.A. who believes in me and wants to help me in my recovery.

Just for today I will have program. I will try to follow it to the best of my ability.

Just for today, through N.A., I will try to get a better perspective on my life.

Just for today I will be unafraid. My thoughts will be on my new associations, people who are not using and have found a new way of life. So long as I follow that way I have nothing to fear.
